NOTES

1. A letter of 2/5/1991 in response to a request to confirm Salome Rufener's baptismal date of 28 December 1675, states that it cannot be substantiated by the register of the church of Blumenstein, Bern, Switzerland. This is contrary to information on page 14 of *Genealogical Notes of the Carpenter Family.* Records of Carpenter Family researchers found on the Internet record Salome Rufener's parents as. Peter de Fontenoy Rufener and Anna Krebs. A similar name, the Marquise of Fontenoy, is given as Salome's father's name in A. Y. Casanova's "A Carpenter Family of Lancaster," reference 21 above, p. 65. Another source, Albert K. Hostetter author of "The Ancestors of the Zimmerman-Carpenter Families of Lancaster County," *Journal of the Lancaster County Historical Society,* Vol. 24, 1940, p. 138, refers to Salome as "the widowed daughter of the Count of Fontenoy"
2. "Our Carpenter Neighbors," reference 8 above, includes an additional child in this family group, Catharine Carpenter, born 9 August 1697 and died unmarried 9 Jan 1772. Catharine's birth would have predated by several years Heinrich and Salome's supposed marriage date of 1701.
