* OBJECT DESCRIPTION - NOTES: Two page manuscript letter written on hand laid paper. The text is on the front page and the paper was then folded and the back side became the envelope addressed in pen "To Mr. Charles Smith, Esq./Lancaster." The text of the letter consists of five questions to which answers were requested. The answers were written below each question. At the bottom of the page is the text of the request for answers which reads: "Here at Lancaster July 11thm 1814/Mr. Smith we had been here twice without finding you,/ I wish you would give an answer to the above Questions; and/whether they have to chose the whole Jury themselves or only/the half part thereof, if they should proceed according to their Treadening./Remain to be your most obedient." signed "Christian Luther." It is addressed "To Mr. Charles Smith, Esq." at the bottom left corner. Smith wrote his reply to the jury question which reads "The sheriff chuses [sic] Juried in such cases." The questions above, followed by Smith's reply, read: "1st - Will the New Trusteeship hve the Power, after the Expiration of the 3/Month Warning, as given to some of the Inhabitants here; to throw them/out by the Sheriff immediatly [sic], according to Law?/ [REPLY] Answer - Not having yet seen the Law, I cannot answer this question precisely/ But I should apprehend no such power is given - & it would be unconstituti-/onal. - / 2d Or if a Court should be held for that purpose hereabouts, & they get a Lawyer/are we not obliged to do the same, or how to proceed?/ [REPLY] I do not concieve any such court can be held - if there should be - your counsel should be present - / 3d Will it be necessary, at the Court held either here or at Lancaster, to have/the Witnesses at Hand, to Proof their False Title, who were present at the signing, acknowledging, and that the same was represented before/a Committee held for that purpose of the Honorable House of Assembly/in the Session before the Last? - [REPLY] all this would, in such case/be necessary. - / 4th Benjamin Konigmacher, sometimes in June, went in the/said Pasture Field with the Plough, & got several Acres Ploughed and the/Pasture spoiled; but has since left off Ploughing any more, what is/to be done with him, especially if he should begin Ploughing again?/ [REPLY] Nothing can be done at present in such case - unless he trespasses on the possession of an individual - & this question/requires further consideration, when I shall see the law./ 5th John Faistenauer. in particular bade me to ask You, whether they/can throw him out at the Time expired, since his Cause as already/been depending on the Court? And if, at the tryal [sic] at Court, his witness/ought to be present, to prove his being cleared of the Rent by the 'Consent of/our Trustee in Ephrata, and to keep Possession &. be easy'?/ NB (2 thirds of the Inhabitants here, are unanimously agreed with our Trustee.)/ [REPLY] Answer - They cannot, in my opinion throw him out, - and/at the trial of the replevin [sic] - the testimony you alluede to will/be useful." Signed "C. Smith."

Dear Mrs. Meredith,

thank you for your letter July 18th.- As far as a Christian Luther, immigrated to the States in 1751, is concerned and if it might be correct, that he is born in East Prussia, I just have one in my files:

Christian Luther was born (as by the Churchbook of the Schloßkirche) in Königsberg/East Prussia on July 3rd, 1708; I have no further dates from him and do not know, if he was married or not.- His Father was

Christian Friedrich Luther of whom I do not have dates either, but he could be the son of

Christian Luther born as proofed by Churchbook in Bartenstein/East Prussia on April 6th, 1652 and married in Bartenstein to Anna Maria Metina; he is a descendant from the Reformer after his oldest son Johannes Luther, who lived in East Prussia as well as his sister Margarete, married to von Kuhnheim, who owns big parts of country south of Königsberg, Bartenstein included.

Up into the 1700 there where just a few Luthers in East Prussia, but all I could find in the early Churchbooks are descendants from this Luther-Line after the reformers oldest son Johannes. Due to the fact, that the old books are partial lost, it is not possible to proof all the connections of dates in regard to later lines, but in 'Das Luther-Nachkommenbuch' the first generations in East Prussia are included into the files.

Do you know, from which port the ship Edinburgh left Europe for his destination in the States?

My best regards, sincerely yours

Dear Mrs. Meredith,

since I attended a seminary end of August I am so late in answering your letter August 20th; but the book must be in your possession in the meantime.

Up to now, I could not find further more as far as Christian Luther is concerned. I have an old map of Eastprussia from the 1600's on which Johannisburg is marked as 'Johansburg' - might be the same.

The reformers daughter was married to Georg von Kunheim. They resided in that area which I marked in yellow. There also Bartenstein is located. They have had about 15.000 acres of land in this surrounding. I feel, that there must be connections between your Christian and the Luthers I already could find in the old churchbooks; but at the present I have no time less for further researches; hope I will be able to do it may be next year.

For today I am sincerely yours
