16. Ibid., p. 124.

NOTES

1. The death date (with no source cited) of Anna Maria (Kelp) Martin was extracted from the "Glossary of Names" prepared by Clarence E. Spohn for *Leban und Wandel*. In a later writing in the *Journal of the Historical Society of the Cocalico Valley* 18 (1993):16, Mr. Spohn says that Anna Maria's death date is unknown.
Pages 8-97 and 8-98 copied from pages 123 through 125 of *Westerwald to America* by Annette Kunselman Burgert and Henry Z. Jones have been removed because of possible copyright infringement. The material covers the European origins of the Kölb/Kelp family extracted from area church books coordinated with facts about the families after their arrival in the Colonies. The American material was already a part of this collection and the European records have been incorporated in it.

*Westerwald to America* contains excellent concisely presented material and should not be overlooked when researching ancestors from that area.
Sir

Having in pursuance of Orders visited the Ship Two Brothers, Capt. Arnot, Master, freighted with Palatines from Rotterdam and Gosport and find them in such good Order as that they may Enter the port without danger to the Inhabitants.

Philad*' Sept' 21, 1753.

To his Honour the Governor Th. Bond

Lancaster County, PA Wills

**SANNER**

John Peter Kölbl/Kelp immigrated to the American Colonies in February, 1743, about six years after the death of Maria Gertraut Sanner. There is no indication that he ever remarried.

The following European research on the background of Maria Gertraut Sanner was extracted from Daniel W. Bly’s *From the Rhine to the Shenandoah*, Vol. 2, Baltimore: Genealogical Publishing Co., 1996.

The Wölferlingen church records begin 1694. Some events were recorded in the Maxain church books. I have endeavored to personally read the available European church books containing references to our ancestral families. I have not read these original records, but am trusting that the extractions presented by Mr. Bly are correct. E.M.

1 JOHANNES SANNER, of Wölferlingen, died 11 July 1697, aged 55. A list of inhabitants in Wölferlingen about 1703 lists his widow as MARIA, “daughter of Hans Tonges, dec. of Dreyfelden.” Maria, “widow of Johannes Sanner” died 20 June 1707, age 56. The following children are mentioned in the church records of Maxain parish.

1 MARIA GERTRAUT SANNER, b 1671, d 1 Sep 1700, m Christ. Kolb.
2 JOHANN DIEDRICH SANNER, b 1674, d 11 May 1732.
3 JOHANN ANTON SANNER, b 1676, d 17 Jun 1729, age 53.
4 JOHANN WILHELM SANNER, b 1680, confirmed 1694, age 14.
5 EVA CHRISTINA SANNER, confirmed 1697, age 14, d 11 Sep 1699, age 15.
6 JOHANN WERNER SANNER, confirmed 1699, age 15, m Anna Maria Kolb.
7 JOHANNES SANNER, b 1687, d 13 May 1749, age 62.
8 JOHANN CHRISTIAN SANNER, confirmed 1706, age 15, d 7 Jan 1732.
9 JOHANN MATTHIAS SANNER, born 7 Oct 1694.

3 JOHANN WILHELM SANNER (of Johannes #1) was born at Wölferlingen in 1680, married ANNA CHRISTIAN MAURER, daughter of Peter Maurer, 30 Nov 1701. Anna Christina died 16 Jun 1720, age 38. No death record for Johann Wilhelm was found.

1 MARIA GERTRAUT SANNER, b 21 Nov 1705, d 20 Oct 1747.
2 ANNA MARIA SANNER, b 8 Mar 1709, d 9 Nov 1712.
3 JOHANN CHRISTIAN SANNER, b 17 May 1713, d 12 Feb 1736.
4 MARIA CATHERINA SANNER, b 13 Dec 1715.

Wilhelm was confirmed at Wölferlingen in 1694, age 14 and appears in a list of inhabitants about 1703 with his widowed mother and brother Anton. Johann William may have remarried after the death of Anna Christina and he is mentioned in records through the 1730s and 1740’s. No death record was found.
